- Developed with React, React Router and Material UI

Portfolio Website

<http://ezecastellanos.com.ar>

- Built using Next.js and Tailwind CSS
- Responsive design for small and large screens

ABOUT ME

I have worked as an english/spanish translator for more than 10 years. This experience has allowed me to build my researching skills as well as the ability to grasp new concepts quickly. Applying these skills to help open-source projects such as [The Modern JavaScript Tutorial](#), fulfilling the role of Maintainer of their GitHub repository in Spanish.
